Dear Ms. Rabkin:

This letter responds to your Freedom of Information Act (FOIA) request of September 18, 2019 in which you requested the following:

1. All data, information, and materials (including, but not limited to reports, data, assessments, memoranda, and/or documents) relied on, used to prepare, and/or otherwise pertaining to the March 26, 2019 report entitled "Radiological Work Performed by Tetra Tech EC on Treasure Island."
2. All internal Navy communications pertaining to the data, information and materials identified in Requests No. 1.
3. All communications between the Navy and any third party or government agency (including, but not limited to the City and County of San Francisco, the California Department of Public Health, the California Environmental Protection Agency, the California Department of Toxic Substances Control, the United States Navy, the United States Environmental Protection Agency, the office of any local, state or federal elected official or representative, and any division or department of any of the foregoing) pertaining to the data and information identified in Request No. 1.

Your request was received by this office on September 24, 2019 and assigned file number DON-Navy-2019-011410. The scope of your FOIA request was modified via email on October 22, 2019, "to include only primary documents relied upon or used to prepare the March 26, 2019 report entitled "Radiological Work Performed by Tetra Tech EC on Treasure Island" plus internal / external Navy communications about the report". In addition, you agreed to pay estimated fees of up to \$2,100.

In accordance with 5 U.S.C. §552(a)(6)(B) and 32 C.F.R. §286.8(c), we have determined that we will be unable to provide a final determination on your request within the statutory 20 working day time limit due to unusual circumstances involved in responding to your request. The unusual circumstance is the need to search for and collect records from other components within the Department of the Navy that are separate from the BRAC Program Management Office. As such, we are extending our time to provide a final determination on your request by 10 working days.
